

# Ian Golds **SOFT WEAR** BIGALOO SHELTER

## > **BIGALOO SHELTER WITH DOOR**

Even larger variation of the IGLoo beach shelter. Can be erected in seconds on most surfaces. Adjustable height depending on how far apart legs are spread. Rolls up straight. New frame and shape gives larger floor area up to 2.25m. Big enough for two anglers and all of their tackle. Lays flat on the ground before erecting, making it exceptionally easy to put up, even in high winds! Angler can sit on their tacklebox and still have plenty of headroom... even when wearing a headlamp! Velcro straps to hold spare rods when fishing. You can even stand up in it! Full width doors. With enough room for a tall person to lay down and have plenty of room to spare.
